Illegal Drug-Free/Alcohol-Free Environment Policy Educational Acknowledgement Page

I acknowledge that I have received and been educated on St. Joseph's Ambulance Services Illegal Drug-Free/Alcohol-Free Environment Policy. I understand that I am responsible for reading, acknowledging and abiding by the contents and terms of this policy. I understand that this policy is in compliance and written in accordance with the West Virginia Safer Workplaces Act (2017), and is intended to provide me with the rules, guidance and consequences of the policy's contents. I understand that as an employee and prospective employee/applicant, I must comply and submit for testing as required by the policy; and also abide by the policy which requires my conformance as an employee for the duration of my employment.

I understand and accept that it is incumbent upon me to abide by this policy or be subject to its consequences, which includes, but is not limited to the following:

- Temporary or permanent removal from the employee's job position pending confirmation of testing results and any other investigatory process
- Forfeiture of employee's eligibility for Unemployment Compensation benefits; and if injured at the time of the intoxication or influenced impairment, indemnity benefits under the Workers Compensation Laws
- Corrective action including employee's termination of employment; and prospective employees/applicants will have any employment offers rescinded

I understand and acknowledge that my employment or prospective employment with the company is at-will; and that this policy, nor my acknowledgement of it does not changes my at-will status with the company or prospective employment status with the company, should I presently be a prospective employee/applicant. Employees of the company have the right to resign at any time with or without cause, just as the company may terminate my employment at any time with or without cause or notice, subject to applicable laws; or rescind any offers of employment should I presently be a prospective employee/applicant.

My acknowledgement, understanding and commitment to abide by the Illegal Drug-Free/Alcohol-Free Environment Policy are signified by my signature below:

Illegal Drug-Free / Alcohol-Free Environment

Policy Statement: The purpose of this Policy is to state the company's commitment to a safe working environment and one free from illegal drugs and alcohol. To ensure the safety of our employees, patients, customer, vendors, associates and the general public, this policy is established in accordance and compliance with the West Virginia Safer Workplaces Act (2017).

Scope: This Policy covers all employees and prospective employees of the company

Purpose: In accordance and compliance with the West Virginia Safer Workplaces Act (2017) the company prohibits employees from unlawfully manufacturing, distributing, dispensing, possessing or using illegal drugs, controlled substances or intoxicants in any form while engaged in the work and/or the business of the company. In addition, employees may not be under the influence of alcohol while engaged in the work and/or the business of the company. Prescription drugs or over-the-counter medications, taken as prescribed, are an exception to this policy.

In accordance with the West Virginia Safer Workplaces Act (2017) company will test employees and prospective employees for illegal drugs, controlled substances, inhalants or prescription drugs not prescribed for self-use; additionally, the company will test employees for alcohol use while engaged in the work and/or the business of the company.

As such, the company's implementation of a drug-free workplace program in accordance with the West Virginia Safer Workplaces Act (2017), mandates compliance by employees as required to submit to a test for the presence of drugs or alcohol. If a drug or alcohol (at level of .02% or more) is found through testing to be present in the employee's system, the employee will be terminated and forfeit their eligibility for unemployment compensation benefits and if injured at the time of the intoxication or influenced impairment, indemnity benefits under the Workers Compensation Laws.

In addition, in compliance with the West Virginia Safer Workplaces Act (2017), and in accordance with the company's drug free workplace program, all employees and prospective employees are notified by this policy that as a condition of employment, employees are to refrain from reporting to work or working with the presence of drugs or alcohol in their bodies; and that if an injured employee refuses to submit to a test for drugs or alcohol, that employee forfeits eligibility for unemployment compensation benefits, and if injured, for indemnity benefits under the Worker Compensation Laws.

Administration: As required by the West Virginia Safer Workplaces Act (2017), the company adheres to the following administration in accordance with the Act:

Reasonable Cause or Suspension

Our company has an obligation of professional service and safety to the individuals involved in our business, to include but not limited to employees, patients, customers, vendors, associates and the general public. Therefore, we are committed to a safe workplace and providing safe and professional services to the public, and in so doing comply in accordance with the West Virginia Safer Workplaces Act (2017). The company acts objectively, in good faith with reasonable cause or suspicion in observance of employees or prospective employees whose work performance or behavior appears to be impaired, or who have an odor of alcohol. Any employee drug or alcohol testing will be conducted during, or immediately before or after, a regular work period.

Refusal to Test

Employees who refuse to submit for and provide a sample for testing will be subject to corrective action to include termination of employment. Prospective employees who refuse to comply with requests to provide a sample for pre-employment testing will have any employment offers rescinded. Additionally, employees whose testing results are confirmed as positive, in accordance with this policy and the West Virginia Safer Workplaces Act (2017), will forfeit their eligibility for Unemployment Compensation benefits, and if injured at the time of the intoxication, indemnity benefits under the Workers Compensation Laws.

Sensitive Employees

Employees whose job positions directly or indirectly effect the life, health or physical (or otherwise) well-being of others, including but not limited to patients, coworkers and general public; whereas errors and/or accidents can cause loss of human life, serious bodily injury, or significant property or environmental damage, will be removed from temporarily or permanently from their job position pending confirmation of testing results and any other investigatory process.

Employees involved in vehicle accidents are required to stay at the scene and if requested will submit to drug and alcohol testing. Employees are expected to cooperate in any and all investigatory processes.

Procedures

Any drug or alcohol testing of employees shall occur during, or immediately before or after, a regular work period. Testing time is considered as "worked time" for the purposes of

compensation and benefits for current employees. The company will pay all actual costs for drug and/or alcohol testing (initial and confirmation testing) for employees and prospective employees; and the compensation for the testing time and applicable transportation costs for current employees if their required tests are conducted at a location other than the employee's

normal work site(s). Employees and prospective employees are required to comply with the procedures administered by the testing facilities in accordance with the West Virginia Safer Workplaces Act (2017).

In compliance with the West Virginia Safer Workplaces Act (2017), all sample collection and testing of drugs and alcohol are performed in accordance with the following conditions:

- (1) The collection of samples shall be performed under reasonable and sanitary conditions
- (2) Any observer of the collection of urine samples are by individuals of the same sex as the employee or prospective employee
- (3) Sample collections shall be documented, and these documentation procedures shall include:
 - (A) Labeling of samples so as to reasonably preclude the possibility of misidentification of the person tested in relation to the test result provided and handling of samples in accordance with reasonable chain-of-custody and confidentiality procedures; and
 - (B) An opportunity for the employee, or prospective employee, to voluntarily provide notification of any information which may be considered as relevant to the test, including, but not limited to, identification of currently or recently used prescriptions or nonprescription drugs, or other relevant medical information. This may be accomplished by providing procedures for review by a qualified medical professional to verify a laboratory sample which tests positive in a confirmatory test.
- (4) Sample collection, storage and transportation to the place of testing shall be performed so as to reasonably preclude the possibility of sample contamination, adulteration, or misidentification.

Positive Test Confirmations

Confirmation of any positive test results will commence when drug and alcohol testing results are positive. Confirmatory drug testing shall be conducted at a laboratory: (i) Certified by the U. S. Department of Health and Human Services' Substance Abuse and Mental Health Services Administration; (ii) approved by the U. S. Department of Health and Human Services under the Clinical Laboratory Improvements Act; or (iii) approved by the College of American Pathologists. For drug testing, confirmation testing will be by use of a different chemical process than was utilized initial drug screening. The second confirmatory drug test will be chromatographic technique such as gas chromatography/mass spectrometry, or another comparably reliable analytical method.

If confirmation testing takes place and the results for drug or alcohol (at a level of .02% or more) are positive, the employee may be subject to corrective action including termination of employment; and prospective employees will have any employment offers rescinded. If a drug or alcohol is found through testing to be present in the employee's system, the employee will

be terminated and forfeit their eligibility for unemployment compensation benefits and if injured at the time of the intoxication, indemnity benefits under the Workers Compensation Laws.

Split Samples

In the event an individual desires to challenge the results of his or her initial sample test result, that person will have the right to have the split sample tested by another laboratory. The cost associated with the testing of the split sample will be the responsibility of the individual challenging the initial sample test results.

Confidentiality

All communications received by the company relevant to employee's or prospective employee's drug or alcohol test results and received through the company's drug testing program are confidential communications and will not be used or received in evidence, obtained in discovery or disclosed in any public or private proceeding, except for a proceeding related to an action taken by the company under the West Virginia Safer Workplaces Act (2017), for example: Unemployment Compensation, Workers' Compensation, Litigation.

Adverse Actions

The following adverse actions will apply if initial testing results are confirmed as positive in accordance with the procedures required by the West Virginia Safer Workplaces Act (2017):

Employees: Suspension w/o pay while positive test result is waiting for positive confirmation results; termination of employment upon positive confirmation of initial positive test results

Prospective Employees: Retraction of any previous employment offer, refusal to hire

Violations: The company will take appropriate action to remedy violations of this policy. Employees found to be in violation of this policy will be subject to the appropriate corrective action up to and including termination of employment.
